### Notify the Teacher

If your child is being picked up by someone other than you, please send a note to the teacher specifying who & when.

## Birthdays

We will celebrate birthdays in class. Feel free to send in or make arrangements for treats. Please consider healthy snacks and avoid foods containing nuts. We will set aside a special time during the year to celebrate summer birthdays. The teacher will get in touch with you as your child's birthday approaches.

---

## Treasure Key

Each day a different child will wear the "Treasure Key" necklace home as a reminder that for the next day he/she is to bring in a "treasured" item to show the class. This is a "Show and Tell" activity done on an individual basis which allows one student to have the floor all to him/herself. Be on the lookout for the treasure key necklace to be on your child.

**Be sure to check your child's folder each day for homework and important notices.**
