Dear Kindergarten Families,

We are excited to have your child with us this year! The Kindergarten Center will be hosting an information session for adults. Please review the following information and we hope to see you there.

Back to School Night, Wednesday, September 11, 2024

The Kindergarten Center's Back to School Night will be held on Wednesday, September 11, 2024. Back to School Night is an **adult only** evening, intended to provide parents general information regarding their child's kindergarten experience and hear about the anticipated classroom experiences from their teacher. Should you have any questions regarding your child specifically, **this evening will not allow for private conversations** and it is suggested that you follow up with the teacher, via email following the presentation, to coordinate a day and time to meet privately.
